CHURCH PARISH HALL

Come for food, music  
and more!

Dear Families & Friends of Advent Parish Day School,

It's time to start preparing for one of our most important events of the year, the Advent Silent Auction! We are so excited to bring this wonderful event back after a 3 year hiatus. As many of you know, our school depends on this event to secure the funding needed to provide school enhancements throughout the year. In the past, this event has provided resources to renovate classrooms, upgrade playground equipment, create new safety precautions throughout the campus and even help with much-needed sitework throughout the school. The resources raised from this single event go such a long way to keep Advent the best preschool in town!

We have a goal this year to raise \$45,000 to continue to upgrade the Advent facilities and we need your help in turning this goal into a reality. There are two ways in which you can support:

1. **Sponsorship Opportunities:** We are offering tiered sponsorship opportunities, all offering your family and/or business recognition for your generous donation. See the "Sponsorship Tier Levels" for detailed information. "Commitment forms" are kindly requested by **February 3rd, 2023**
2. **Silent Auction Donations:** We are collecting items and services to be auctioned off at the event. If you have a product, service or basket of items to contribute, kindly submit the "Donation form" with your items by **February 3rd, 2023**

We appreciate your commitment and involvement to continue to make Advent Parish Day School the #1 preschool in Tallahassee. Your support is critical to creating a safe and productive learning environment for our next generation of students. We are confident that, together, we can reach our goal!
