MESSAGE FROM THE DIRECTOR

Dear Families,

Here we are in April! We have lots of fun planned for the next two months of school and look forward to sharing this time with your little one! Spring is always a fun time on campus as we start to watch our school grounds bloom.

We are so glad to have been able to hold our Grandbuddies Days this year after a two-year hiatus! Thank you to our APA for their help in putting on this wonderful event. We have missed being able to welcome our grandparents on to campus.

Ms. Jan, Ms. Tami, and our students have been busy preparing for our Art & Movement shows! The schedule is in this month's newsletters. We do not anticipate any restrictions on attendance. These programs are always the highlights of the year!

We have been learning about Easter in chapel and our classrooms have lots of fun Easter activities planned. The Easter story as it relates to faith can be a hard concept for small children. But, we learn that, although Good Friday is a sad day, Sunday is coming! If you are looking for a place to worship, Advent Church will hold many services during Holy Week.

We have lots of fun things to look forward to in May, including our shows, Spring into Summer, Muffins with Mom, and Teacher Appreciation. It will be a busy last two months of school! Have a wonderful month!
