# MESSAGE FROM THE DIRECTOR

February is a month full of kindness, love, caring and sharing. What it means to be a good friend is a lesson we learn all year!

We have completed our in-house registration and I am already calling from our waitlist. Summer Camp registration will be sent home the week of March 9th . Due to staffing being difficult during the summer, please remember Summer Camp is only available for children that are returning to Advent.

Thank you for choosing to send your child to Advent, it is a joy to watch your children grow!

Love,

*Ms. Katie*

## CHAPEL

In Chapel we are going to be learning that Jesus is a healer, a teacher, a friend, a King, and most importantly, the Son of God. During the month of February, we will hear about the miracles that Jesus performed!

We sing to music in Chapel and one of my favorite children's musical artists is *Slugs & Bugs*; he has fun music that I use in Chapel. You should look him up!
