

June 18th, 2016

Dear Advent Families,

We are wrapping up our second week of summer!

Here is what we have been up to:

**Dramatic Play with Ms. Kallie:** This week we have been acting out “Action” scenes! We are saving princesses and buildings and doing all kinds of super hero things!

**Language Arts with Ms. Kylee:** This week we are all about Arthur! We read many of the Arthur books. We also made letters with playdough (we use mats and printed letters for practice). With our older groups we are beginning our journals and writing, as well as drawing.

**Math with Ms. Vicky:** This week, we read the book, *Ten Black Dots*, by Donald Crews and made our own dot pictures with dot markers! We also read the book *The Boy who Loved Dumplings*, by Sandra S. Yamate and counted and sorted dumplings (fortune cookies) ourselves. We read *One Fish, Two Fish, Red Fish, Blue Fish* by Dr. Seuss and played felt board counting games with fish. On Friday we are playing shapes and colors BINGO!

**Science and Cooking with Ms. Danielle:** We are learning about Air! We also explored different animals and what they do. We did art and painted the letter A. On Friday we will be making pudding cups with vanilla wafers.

**Music and Movement with Ms. Morgan:** We are doing lots of action by moving our bodies in different ways, imitating animals and playing games where we go around (Duck, Duck, Goose!, Farmer in the Dell, Ring Around the Rosie, Teddy Bear, Teddy Bear). We’ll also be marching like ants, singing about apples and going on adventures using our imagination!

**Brush and Pallet:** Ms. Tyler from Brush and Pallet visited us Wednesday for an art lesson! We made flowers, jelly fish and rainbow fish! The children did a great job and their masterpieces will come home this week!

I will be out of town on Friday, June 18<sup>th</sup>. Ms. Cindy and Ms. Tami will be in the office while I am gone. Hope everyone is enjoying summer so far!

Many Blessings,

Kristin
