MESSAGE FROM THE DIRECTOR

Dear Parents,

We made it through Hurricane Helene without any damage, Praise God! It has been a great couple of months of school, children are getting into routines and making new friends! It is delightful to watch all the wonderful things going on. I am seeing lots of smiles, laughing and engaged children.

There are many activities to look forward to this month. Our Silent Auction is just around the corner, on Saturday October 12th! The APA has been working hard and we know it will be a great time! It isn't too late to donate or to be a sponsor of this special event.

October is a time of imaginative fun. Classes decorate their doors for Halloween, and our 3's and 4's will have a costume parade on Halloween! There will be more information coming as it gets closer.

It was wonderful to see all of you at Open House! It was a great opportunity to learn more about what goes on in your child's classroom and our Special Area teachers felt the love! Thanks to the APA for hosting a great social afterwards!

We feel blessed to teach and work at Advent Parish Day School!

Sincerely,

Katie Clark

CHAPEL

Our Big Idea at the beginning of our school year was Kindness is Best! I read the book:

Have you Filled a Bucket Today? It really is a terrific book about kindness.

How to be a bucket filler: When your bucket is full, you feel great. When your bucket is empty, you feel lousy. When we are kind and do nice things for someone, we fill their bucket. In the process of doing "bucket-filling", the gratifying side-effect is that our own bucket gets replenished! But don't be a bucket dipper!

What is not good is "bucket dipping." When someone acts mean in the things they do or say (or even simply ignores us!) they dip into our bucket, hijacking some of our happiness. A great lesson for us all!
