Message from the Director

Dear Families,

We have had a great start to our school year! The children are getting into the routine of being at school, learning their teachers and getting acquainted with new friends. It has been a treat seeing this as the Head of School instead of a teacher, so many things are different but the one thing that stays the same is the quality of our program that is provided by the excellent teachers that work here. We truly are blessed.

Open House

Our first "back to normal" school event will be our Open House on September 15th, the first one in several years. This is a child free event where parents come to visit your child's teacher and classroom. Teachers will have a little presentation then you will be able to see all the things your child has been busy working on. APA will have a parent social set up on the bricks after open house for you to gather and socialize.

Parking Lot Safety

Please, please be careful when driving in our parking lot. I have seen parents drive extremely fast, in a rush to drop off or pick up their child. Drive slowly, look for children when backing up and pay attention. Also, please hold your child's hand when walking through the parking lot, I have seen too many parents letting their child/children walk through the parking lot unsupervised, this is not safe.

Thank you for trusting Advent Parish Day School with your sweet babies! What makes Advent so special is our teachers and our families. If you need anything, please feel welcome to send me an email, come to the office or stop me when you see me on campus. I have a feeling this is going to be a great school year!

My best,
Katie Clark
